Murray's Muscles

Supporting people affected by Muscular Dystrophy in the West Midlands.

Improving quality of life through the provision of essential equipment

Registered Charity No. 1137212
1 King George Avenue, Droitwich Spa, WORCS., WR9 7BP
www.murraysmuscles.co.uk

Murray's Muscles is my chosen charity because

Muscular Dystrophy and related muscle diseases affect 70,000 babies, children and adults across the UK. These rare conditions are muscle wasting and weakening in nature. The most common and most aggressive is Duchenne Muscular Dystrophy, a devastating, relentless, disease affecting only boys (except in very rare cases). Boys with this condition can expect a shortened life expectancy. There is currently no treatment or cure.

For the general population the risk of having an affected child is about 1 in every 3500 male births.

The Charity benefits people across the West Midlands affected by muscle disease by raising funds to help purchase essential equipment that will not only improve quality of life, but is also life saving.
(Amazing as it is, this equipment is currently NOT available on the NHS)

Please help me with my challenge by donating as much money as you can.
